NAVIANCE

COLLEGE CAREER LIFE

Naviance is a program used in CCSD that helps students reach their goals by developing skills critical for college, career and life. A student's Naviance profile will stay with them all the way to 12th grade. Lessons have begun in grade levels. Parent/guardian should have received an email with a unique code to register for your parent account.

Ask your student to show you around Naviance and what we've been doing!

Self Care Tip

Pack Away your Summer clothes and get
out your comfy Pj's
Light some scented candles and read a
good book over the break!

MAGNET PROGRAMS

APPLICATION DEADLINE

Attention 8th Graders applying for Magnet Programs

As we head into the Thanksgiving break, we wanted to remind you that the deadline to complete the magnet program application is Wednesday, December 1st by 11:59 PM. Remember this is your only opportunity to apply for the Magnet/IB Diploma Program, and we are excited that you have started the application process!

Here are a few more reminders:

- Please be sure you double check that you entered your teachers' names and email addresses correctly - otherwise teachers will never receive the request and your application will not have the appropriate number of recommendation letters.
- While the student deadline to submit the application is December 1st, the deadline for teacher recommendations is **January 15th**. Please make sure your teachers know they have a little extra time to complete their recommendations in the best way possible.
- The "essay" doesn't need to be a five-paragraph essay. My best recommendation is about three paragraphs—enough to share your perspective about something important and demonstrate your ability to write coherently.
- The "Course Selection" tab is designed to let you tell us what classes you are taking this year—if you are in high school courses, advanced/AC courses, electives, and anything else that may be important to your classes this year.
- The last tab asks you to "Submit Application," and that's the last step to completing it. Please be sure you click that button in order to be in the applicant pool this year.

, feel free to reach out or check our [website](#)!

OPT IN FOR LAPTOPS

Our Goal is to have 100% of students opt - in for Laptops.

Students will use their laptops in the classrooms for lessons and activities!

JOIN PTSA

If you have not yet joined our PTSA, please consider doing so PTSA needs Y-O-U! Together we can make a difference. every child. one voice.

- *New Men & Women's Underwear

Lost Mountain Giving Tree

It is hard to believe, but the holiday season is right around the corner. This year, Lost Mountain will be hosting our 14th annual Giving Tree to assist families within our own community. Beginning November 12, a tree will be placed in the front office with various ornaments. Each ornament will have a gift listed that a child has requested for Christmas. If you would like to help, please select an ornament and purchase the item requested. You can then return the gift to the front office, unwrapped, with the ornament taped to the item. If you would like for your student to choose an ornament, please complete the form attached and return it to the front office. A staff member will assist your student in choosing an ornament within the price range that you have indicated. Students will not be allowed to take an ornament without their parent's permission. Please return all gifts to the front office no later than Friday, December 10.

If you find that your family is struggling in this difficult economic time and you need assistance with Christmas gifts, please send an e-mail to Alicia.hayworth@cobbk12.org. All information will be kept confidential.

Thank you in advance for all of your wonderful support of this program. If you have any questions, please contact Alicia Hayworth, School Social Worker at 678-331-1068. We wish your family a blessed and joyous holiday season.
